*Islands Largest Real Estate Company Recognises Local Support*

(Hamilton, Bermuda – May 2010) – Over a decade of success with Coldwell Banker Bermuda Realty was celebrated recently, when the local company received a shipment of statues and awards from Coldwell Banker Corporation for achievements during 2009. “The awards mean little in a struggling economy” said local company President and Real Estate Broker, Brian Madeiros “but the fact that our little company from Bermuda was able to hold its own in the global arena during these challenging economic times speaks volumes about our customer and client base. We cannot thank those who have worked with us over the last year enough for their continued support and confidence in our local marketplace.”

For the eleventh (11) consecutive year, Coldwell Banker Bermuda Realty was awarded the Number One Office Award for the Island Affiliates Region which includes Aruba, Bahamas, BVI, Cayman Islands, Curacao, Dominican Republic, Jamaica, St. Maarten, Turks & Caicos, St. Croix/USVI, St. Thomas and St. Kitts-Nevis. Coldwell Banker Bermuda Realty is also very proud to acknowledge all of our sales and rental representatives who ranked in the top 8% of the approximately 96,600 sales representatives worldwide in the Coldwell Banker® system.

In a letter to individual agents, **Jim Gillespie, president and chief executive officer, Coldwell Banker Real Estate LLC** stated “This was undoubtedly a difficult year in our industry, but people need to remember that real estate is cyclical, and positive signs over recent months signal a tipping point for the residential real estate market,” and his words hold true no matter where we are in the world.
